*It is of no small commendation to manage a little well. To live well
in abundance is the praise of the estate, not of the person. I will
study more how to give a good account of my little, than how to make
it more.*

IN MEMORY

Melvin L. Bull

September 27, 1912 - November 7, 1994

This Town Report is dedicated to the fond memory of one of our most renowned citizens, Melvin L. Bull. A resident of Stoddard for 58 years, Melvin was a founding member of our Fire Department. In recent years much attention has been given to Melvin's elected position as Liquor agent. He has been featured by several papers for both the unusual position and his unequaled character. His spontaneous wit and lovable demeanor are part of the fiber of this town. Stoddard has been most fortunate to share Melvin with his wife Avis during these years. This book is in his memory and honor.

SELECTMEN'S NARRATIVE

1994 was a good year for the Town of Stoddard. We were able to upgrade and repair several roads, purchase the New Rescue Vehicle, address the "Owner Unknown Properties", repair some broken head stones in the cemetery, replace the oil tank at the Town Hall, put monies in capital reserve funds for the purchase of property and the Shedd Hill Bridge and pay for half the emergency repairs to a Fire Truck. These projects and the monies spent, did increase our taxes, but only modestly because of changes initiated by the Board of Selectmen over the last several years. These changes decreased our cost on Insurance, and Interest on tax anticipation loans substantially. We will continue to make changes to reduce cost and in fact the 1994 Town Reports will cost \$1,000 less than last year's.

The biggest changes at the Selectmen's office this year was the hiring of an additional Administrative Assistant. While on the surface this may seem extravagant it has turned out to be the best thing for the town offices. Let us explain, In May the Selectmen hired Denise Pratt to do research on the 24 properties that were in the Tax Blotter as "Owner Unknown". The result of this is that only 11 properties continue to be listed as "Owner Unknown" most of which will be deeded to the Town through Tax deeds late this spring. During the late Spring Gloria Harper requested two weeks off to go on vacation. We talked about Denise working during this time to cover. This arrangement worked so well that when Gloria returned she and Denise spoke with the Selectmen. We unanimously agreed that this dual coverage was needed. When the Selectmen meet both during regular and any additional work session one of them is available. We have two very conscientious people, who help us look out for the Town's best interest. Thank You Both!

We also would like to Thank the other Office and employees of the Town. Did you know that Joan Read has been the Town Clerk for 17 years, or that Charlotte Pratt has been Tax Collector for 15 years. The expertise and knowledge these women have is great and Thank You just doesn't seem to say enough.

Barbara Rockwell has been the Deputy Tax Collector for several years. This year she will be retiring. She will be greatly missed especially during taxbilling time, when we usually find her and Charlotte watching the printer. Thank You Barbara!

During the summer of 1995 many of you will miss Harold Sullivan at the Recycle Center. Harold is going to take this summer off, but he plans to be back in 1996. The Wednesday afternoon hours will be covered by Bob Kirker, JR. Bob and Wendy will both be working weekends as usual. The Selectmen (especially Brenda) really appreciate that Kirker's never call in sick THANK YOU! We also hope that we will continue to see Bob Kirker, SR. on occasion. He has done voluntary work for us since he retired in January of 1994. Bob ran the Recycle Center for the last 5 years. We wish him good health and THANK him for his service.

Rich and Besty Follansbee have been keeping the Town Hall clean and the Library and Town Hall lawns cut. Joan Zelasny just completed her second year of a three year term as Treasurer. Joan is also the Animal Control Officer. There are many dogs, cats and people that appreciate Joan's devotion to the well being of all animals. Our Police Department and Fire Department have responded willingly to many calls and request over the year. Thank You all!

A dedicated group of residents helped make this year's Old Home Days Weekend was one of the Best. When people ask why do you like Stoddard? We can honestly say that "We don't always all agree but, we all respect each other and enjoy the riches that our diversified personalities provide." But than again maybe "The natural landscapes are beautiful and the taxes are low!"

Respectfully submitted,
Board Of Selectmen

Brenda J Bryer Louis GrandPré John Halter

STODDARD CEMETERY COMMISSION
BY LAWS

The following rules and regulations for the Stoddard Cemeteries, together with the Laws contained in Chapter 289 of the State of New Hampshire Statutes constitutes the guidelines for the care and protection of the Stoddard Cemeteries.

Note: Until such time as the Cemetery Commission appoints an active Sexton, all duties delegated to the Sexton will be provided by the Cemetery Commission.

Article 1. No admittance to the cemeteries except on business. Such business shall be conducted and permitted as follows:

1. Cemetery hours are sunrise to sunset.
2. Animals shall not be permitted in the cemetery.
3. Children under 18 years of age shall not be permitted within the cemetery or its buildings unless accompanied by an adult.
4. Fresh flowers are allowed at all times, and can be removed by caretakers of the cemetery once the blooms have faded.
5. Due to limited funds and manpower, the Cemetery Commission and Trustees can only assure proper care (moving, trimming, etc.) about the grave stone itself. Flowers, plants and other modifications are the private responsibility of relatives, etc. If, in the judgment of the Commission these additions are inappropriate, neglected or deteriorated, they will be removed. All artificial arrangements are to be disposed of by the caretakers of the cemetery.

Article 2. Persons within the cemetery grounds shall use only the walks or roads, and any person injured while walking on the grass except when that is the only way to reach a plot, or while on any portion of the cemetery other than the walks or roads, shall in no way hold the Town liable for any injuries sustained.

Article 3. Besides being subject to these Rules and Regulations, all interments and removals are made subject to the orders and laws of the properly constituted authorities of the Town, County and State.

Article 4. The Sexton is hereby empowered to enforce all Rules and Regulations and to exclude from the property of the town cemeteries any person violating the same, and at all times shall have supervision and control of all persons within the cemetery, including the conduct of funerals, traffic and employees. To protect and promote the best interest of the cemetery which may be needed from time to time, to meet emergencies not covered by these Rules and Regulations.

Article 5. The Trustees of the Cemetery, therefore reserve the right with-out notice, to make exceptions, suspend or modify any of these Rules and Regulations when, in their judgment, the enforcement of a rule may impose unnecessary hardship in a particular situation.

Article 6. Notice of interment must be given to the Cemetery Sexton at least forty-eight (48) hours in advance of burial so the lot(s) can be precisely marked.

Article 7. When for any reason, the interment space cannot be opened where specified, the Sexton may, at his/her discretion, open it in such location in the lot as he/she deems best and proper so as not to delay the funeral. The Town shall not be liable in damages for any error so made.

Article 8. The Town reserves the right to correct any errors made by it either in making interments, disinterments or removals, or in the description, transfer or conveyance of any interment property.

Article 9. The Town shall in no way be liable for any delay in the interment of a body where a protest to the interment has been made, or when the Rules and Regulations have not been complied with.

Article 10. Every coffin buried in a lot or single grave must be enclosed in a concrete, stone or other permanent vault of approved specifications. Gravestones shall be installed on concrete foundations of approved specifications.

Article 11. The certificate of ownership and these Rules and Regulations and any amendments hereto shall be the sole agreement between the Town and the plot owner.

Article 12. As a special mark of respect to those who have served our Country in its Armed Forces, the American Flag may be displayed on their grave sites. All flags will be removed without notice as they become soiled, faded, torn or otherwise unsightly; all flags to be removed by October 1st.

Article 13. Lots may be purchased by individuals with a connection to Stoddard, meaning a Stoddard taxpayer or relative thereof or else a relative to former Stoddard residents or individuals previously buried in Stoddard cemeteries. Cost shall be \$100. for a 4 by 10 ft lot. Lots used for interment of cremations can contain up to 2 cremations per lot.

Article 14. Funds derived from the sale of plots shall be credited to a Common Perpetual Care Trust Fund with no fee being charged for the plot itself. This purchase fee shall be considered as payment in full by the buyer for care of the plot by the Town in perpetuity. This fee does **NOT** include repairs to any monuments placed on the lots. In the case of damage from vandalism or an act of nature, the purchasers of the stone will be contacted, and the cost of such repair to the monument shall be paid for by them; failing which, at the option of the Cemetery Committee, the monument will be repaired and the cost of such repairs will be assessed to the purchasers of the monument.

Article 15. Monuments: With the frost line frequently several feet into the ground, all new stones vertically erected must have an appropriate foundation of poured concrete 3 feet or more into the ground. The sexton shall oversee the placement of all monuments to ascertain that a sufficient base has been poured. Even this does not prevent instability. Fortunately the gravestone people will correct leaning stones several years after installation, and potential purchasers are urged to get this written into their contracts with the monument people at the time of purchase. At the time of burial, a temporary marker may be placed such as a wooden cross, but, as above, if in the judgment of the Commission and Trustees it be inappropriate, or deteriorated, it may be removed.

Article 16. In the event a plot is no longer needed or wanted by the owner or heirs, it may be sold back to the Town for the price at time of original purchase. Any accrued interest would have been diverted to care of the cemetery; therefore, that amount would be forfeited.

Approved by the Trustees of Trusts,. Stoddard Cemetery Commission and the Selectmen September 26, 1994.

Lots may be purchased from Alan Rumrill who resides across from the Addition to Old Cemetery on the road to Center Pond (Home Tel: 446-7447, Office: 352-1895) Home address: Box 244, Stoddard, NH 03464. Purchase price is \$100. per lot.

AUDITORS REPORT

We hereby certify that we have examined the records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of Trust Funds, Cemetery Commission, Library Trustee, Planning Board and Boat Permit Fee Agent of the Town of Stoddard, New Hampshire for the year ending December 31, 1993.

In our opinion, the aforementioned records together with their financial statements and auditor's report present fairly the financial position and the results of its operations and changes in it's financial position for the year ended, in conformity with generally accepted accounting principles, applied using cash basis methods consistent with that of the preceding year.

Verifications notices were sent (25) to the highest unpaid tax bills on March 1, 1994 with request for responses for incorrect bills only.

STODDARD FIRE & RESCUE DEPARTMENT

This year we participated in and responded to a total of 117 emergency calls and activities.

- * 22 fire calls
- * 13 medical calls
- * 8 motor vehicle accidents
- * 12 training drills
- * 12 meetings
- * 50 radio checks

The demands of the fire and rescue service seem to be changing with the times. Our role as an emergency response unit is increasing and we must, therefore, be prepared for just about any type of call.

This year, we faced a Hazardous Material incident involving oil which threatened to contaminate our water supply. In this particular case, we had to work with the EPA officials in limiting the damage caused. We also responded to an accident scene this year which forced our rescue personnel to deal with the potential of contaminated blood. Exposure of our rescue volunteers to these types of materials requires knowledge, training, and experience. We believe that we do a fine job in our preparation for this type of emergency.

We would like to thank very sincerely all those who supported us in our successful effort to add a Rescue Boat to our equipment. We raised our goal of \$8,000.00 and now have a boat in service capable of meeting any water related emergencies we may encounter.

The new Rescue Truck has been ordered and the cab and chassis have been received. The rest of the body and the interior are being readied and the vehicle should be ready for the 1995 season. With the addition of this vehicle, we expect to be in much better shape to respond to the growing number and type of rescue needs in our town.

The Town is served by two sump trucks, a 1955 FWD and a 1976 International. Both are obviously aged and in a condition that affects the safety of the Town and our ability to respond effectively to fire situations. We have come to the conclusion that it is in the Town's best interest to refurbish the 1976 vehicle, making it our number 2 pumper and retire the 1955 pumper. Thus we would need a new front line vehicle to protect the town.

We all mourn the loss of our long time friend and fellow firefighter, Melvin Bull. He and his family have been constantly strong in their contributions and support of the Fire & Rescue Department. We will miss him dearly and will continue to appreciate all he did for Stoddard.

FOREST FIRE WARDEN

This season was about average for the number of fires, but the average size of fires was more than double the normal. We got off to a late start in the Spring, but ended about 3 weeks later than normal. There were several times we had serious fire potential. Due to your efforts in contacting one of us the fire danger was down in Stoddard.

As you all know this year was Smokey Bear's 50th birthday celebration. Both the party at the Colony Mill and the Fair were a big success.

Daily the State of New Hampshire Forest Fire Division gives us the class day danger. I hope that the Class Day Warning Dial that we put up at the beginning of the season was helpful. The Fire Towers were closed on November 10th but had to re-open on the 17th for a few days when we were running Class 4 and 5 Days. It looks good for opening most if not all the towers next spring.

Again, remember if there is no snow cover on the ground then a Fire Permit is required by State Law. You can request a permit by contacting your Forest Fire Warden or an agent of the Warden.

In addition to all the environmental benefits trees provide, each American uses 43 cubic feet of wood and 681 pounds of paper products each year--the equivalent of what can be produced from one 18-inch dbh tree, 100 feet high. In addition to natural regeneration, this wood is provided for future generations by the planting of five new trees for each American every year.

In 1994 we found a sharp increase in Vandalism & Breaking and Entries. Virtually all these cases were done by juveniles. We are asking the cooperation of parents in keeping a better handle on their childrens whereabouts. I believe the town needs to look into providing activities for the children in town such as a ballfield or Community Center.

Currently the Stoddard Police Department consists of two part-time Police Officers who are on call twenty four hours a day. The Town does not own a Police Vehicle. We are using our own personal vehicles and are reimbursed for mileage. This has worked well in the past due to the limited mileage we put on the vehicles. Unfortunately we are no longer able to obtain Insurance for Police use on a privately owned vehicle. Without insurance we can no longer do patrol, motor vehicle stops, or transport arrest.

This year I am asking for the purchase of a used Police Vehicle. I believe the purchase of a late model vehicle with low mileage would service the Police Department for the next four to six years.

In 1992 I had the departments three shotguns evaluated by a factory authorized Armour. All three shotguns were deemed unsafe and were taken out of service. It was recommended that it would not be cost effective to have them repaired. Since that time I have been analyzing the merits of putting shotguns back in service. Shotguns are a standard issue for many departments which are used for burglar alarms, felony stops, weapons calls and other dangerous incidents. I feel the department also has a need for Animal Control, such as rabid animals and for moose and deer that need to be put down after being involved in Motor vehicle accidents. So the three shotguns and two old revolver's were traded in on two new shotguns. With proper care and maintenance these shotguns should serve the department for fifteen to twenty years.

In closing, I would like to THANK, the Townspeople, the State Police, County Sheriff and Local Police Agencies, for their support. I would also like to THANK Joan Zelasny, and the Stoddard Fire & Rescue for their cooperation and dedication.

I want to again encourage anyone that has a question or comment about the police department to please let me know so that a proper response can be made to the situation. We are here to serve you and the community at large.

David Vaillancourt, Constable/Police Chief

PLANNING BOARD

The Stoddard Planning Board met on the first Tuesday of each month at 7:00pm to conduct business. Citizens requested ten (10) preliminary consultations with the Board. Two subdivision applications were accepted and approved, one for a minor lot line adjustment/subdivision and annexation and one for a minor subdivision. A third subdivision that extends across our town line was approved by the Sullivan Planning Board subsequent to notification of the Stoddard Planning Board.

As directed by RSA 155-E (d), the Planning Board conducted a survey to identify active and abandoned excavation sites. The Board appreciates the cooperation of Stoddard landowners in this matter.

Throughout the year, the Board has been working to draft Site Plan Review standards and procedures as previously directed by Stoddard voters. When approved, such reviews apply to the development, change or expansion of tracts for non-residential uses and to multi-family dwelling units of three or more dwelling units. Site Review regulations are intended to guard against conditions that would involve danger or injury to health, safety or prosperity of the community.

Southwest Region Planning Commission staff members have continued to provide valuable consultation and advice to Planning Board members. While the Commission has been able to keep its dues at the same level - \$1 per capita - for more than ten years, to meet expenses its Board has recommended an increase to \$1.10 per capita as of July 1995. Stoddard membership fee would be \$682.

The Planning Board appreciates the cooperation and good will of all who have appeared before the Board this year. We hope that we have met the standard of respect and fairness for all.

Patricia Campbell, Chairperson

ZONING BOARD OF ADJUSTMENTS

1994 was a relatively quiet year for the Stoddard Zoning Board of Adjustment. Only four cases were heard by the Board; two of them for commercial variances from the Zoning ordinances, and the other two relative a lot line setbacks.

Bob Cowie, our Board Chairman, who joined the ZBA on July 18, 1988, has retired from National Grange Mutual, and sold his home here in Stoddard. He and his wife Marge will be relocating in North Carolina. We are sad to have him leave the board as he kept things running smoothly for so long! Our best wishes to you both!

We welcomed two new members to the board; Eric Kiehn and Doris Palonen. That gives us a full board of 5 but we are desperately in need of at least two alternates, in the event one of the 5 cannot hear the case before them. We meet once a month, and often less frequently. The meetings are held Monday evenings and are not overly time consuming. You will be rendering a valuable service to the residents of Stoddard and we would appreciate hearing from you. There is no special training nor expertise required to fill this position.

Please contact any member of the Board to learn more about our activities. You will find your time in service very informative and personally satisfying.

ANIMAL CONTROL OFFICER

Through November 1994 there have been 56 animal control related calls. Only 23 of these resulted in actual response by the Animal Control officer, the remainder being handled by phone.

A large expense item this year was for unclaimed dogs picked up in Stoddard and transported to the Monadnock Region Humane Society. It is unfortunate that a pet is either not wearing proper identification when picked up or that the abandonment was intentional.

We hope to join the towns of Nelson and Sullivan again this year in sponsoring a Rabies Clinic. In the past several years this event has been very well attended by Stoddard residents. We will make every attempt to inform you when the clinic is scheduled.

Thank you for making this job a little easier and I especially thank the Stoddard Police Department for their patience and assistance.

DAVIS PUBLIC LIBRARY

The library is open Thursday evenings from 7:00pm to 9:00pm and on Saturday mornings from 9:30am to 10:30am.

New book cases have been built in the children's room and books have been rearranged. Sometime in the near future we hope to add on to the library as it is getting rather crowded.

More than 280 new titles were added to the library this year and circulation was more than 1,000.

The book sale held during Old Home Days was very successful.

The library again this year subscribed to the Junior Literary Guild from which we receive three new award winning books of different reading levels each month. We have purchased more video tapes which are loaned out for a week.

Magazines received include Forest Notes, Trowell, House Plans, Free China Review, and Taste of Home.

We plan to finish the cataloging of the books in the library this year.

Earl Lund and Alan Rumrill designated their 1994 Rotary Book shelf donation to the Stoddard library, and Miss Louise Johnson made a donation to the library. An anonymous donor gave \$10.00 and Mrs. Lina Vaillancourt gave us a clock.

We extend our thanks to all of the people who made donations to the collections during 1994. They included Charles Chandler, Phyllis Sawyer, Nancy Bailey, Frances Rumrill, Jean & Jim Cass, the State of New Hampshire, Mr. & Mrs. Edward LaFranchise, Eunice Fiske, Ruth Moe, Nancy Matson, Time/Life, Mr. & Mrs. George Baker, Pauline Chandler, William Jorger, and other anonymous donors.

CONSERVATION COMMISSION

The Stoddard Conservation Commission continued to investigate Dredge and Fill applications, and one member attended a workshop on new minimum impact procedures, which requires the involvement of the Commission before the application goes to the Town Clerk. Examples of activity needing a permit in water or wetlands:

dredging - almost any form of digging

filling - implies solid material, sand/gravel. (NOT brush, manure, stumps)

new construction - includes docks and decks

repairs - if it involves work below the waterline.

Stoddard has a 50' buffer zone to maintain natural vegetation along the shores of lakes and wetlands. The purpose of this is to catch run-off from landward activities before it has a chance to enter the lake or wetland, thus causing erosion and sedimentation, in fragile areas.

Now that the Granite Lake by-pass is completed and the new slopes of land duly mulched, hay-baled, netted, etc., and the clean-up of sediment in Granite Lake completed, we are anxiously waiting to see if the problem is settled and stays settled.

Meanwhile the new heavy fencing along Rte. 9 by Nye Meadow carefully separates that marsh from the highway traffic, but no longer is it possible for motorists to pull off the road and use their cars for observation blinds when there is a moose prowling in the meadow, or other activity, as passersby have done in the past.

Also, Audubon could use assistance straightening up their sign in Nye Meadow. This should be a logical project for the Conservation Commission in 1995.

LAKE ASSESSMENT REPORT

Despite various adventures, we managed to complete another summer of Lake Testing in June, July, and August. I want to especially thank volunteer Herbert Jean for all his trouble and volunteer Parker Greene. Parker, who twice brought his boat up to Highland Lake, after doing his usual lake testing run on Granite Lake. Thus making it possible to complete that sampling. Working with Parker who has a depth finder on his boat, also enabled me to realize how much easier this makes it to locate the deep spot, where we do the in-lake sampling, and I strongly recommend we look into a depth gauge of the type that can be moved from one boat to another, for the program.

A brief recap of lakeside **DO's** and **DON'T's**:

- Do** pump out your septic tank every 3-5 years
- Do** maintain your system and check your leachfield area
- Do** use low or non-phosphate detergents
- Do** keep land clearing to a minimum
- Do** maintain a 50' buffer of natural vegetation along the shore.

- Do Not** bathe, shampoo, wash boats, pets, in or near the lake with soap.
- Do Not** wash autos near the lake
- Do Not** use fertilizer near the lake shore
- Do Not** burn brush or leaves near the shore, or on the ice in winter
- Do Not** urinate or defecate in the lake, and don't allow pets to do so.

TEST DESCRIPTIONS:

pH A measurement of acidity. A pH of 7 is neutral. Lower pH values indicate acidic conditions. High pH values indicate basic (alkaline) conditions. Little or no fish life remains when pH falls much below 5. NH average is 6.0.

Transparency A measure of water clarity, affected by the amount of phytoplankton, color (dissolved organic compounds), and particle matter in the lake. Measured by lowering a Secchi disk into the water and observing depth for disappearance. Standard: >13.1 ft. is Oligotrophic, 6.6 to 13.1 ft. is Mesotrophic, and <6.6 ft. is Eutrophic. NH average is 12.8.

-NOTE: Narrative is in feet and chart is in meters. 1 ft.=.3048 meters

Chlorophyll a A green pigment in plants required for photosynthesis. A good indicator of abundance of microscopic plants and algae. Units are mg. per cubic meter. Standard: <4 is Oligotrophic, 4 to 10 is Mesotrophic, and >15 is Eutrophic. NH average is 7.3.

Total Phosphorus Limiting nutrient that promotes plant and algae growth in lakes. Increased TP encourages excessive weed growth and algae blooms. Comes from decaying matter, soils, leachfields, land clearing, and agriculture runoff. Units are ug/L. Standard: <10 is Oligotrophic, and >20 is Eutrophic. NH average is 11.

Color A measure of dissolved metals (iron and manganese), dissolved organic compounds, and suspended matter in water. Standard: 0 to 20 is crystal clear, 20 to 35 is slightly tea-colored, and 35 to 100 is tea colored to highly colored. NH average is 25.

Conductivity Ability of water to carry an electrical current. High conductivity may indicate pollution from road salting, faulty septic systems or agriculture runoff. Units are umhos/cm. Standard: 0 to 50 is Oligotrophic, 50 to 100 is Mesotrophic, and >100 is Eutrophic. NH average is 56.4.

Determine that the thing can and shall be done, and then we shall find the way.

CONTOOCCOOK & NORTH BRANCH RIVERS
ADVISORY COMMITTEE

Following enactment of legislation including the Contoocook and North Branch Rivers in the State Rivers Management and Protection Program, the Contoocook and North Branch Rivers Local Advisory Committee (LAC) was formed. The LAC is made up of individuals from the fourteen communities fronting on the two rivers who were nominated by the selectmen or city council from their municipalities and appointed by the DES Commissioner.

The focus of the Committee's work has been to develop a Corridor Management Plan for the designated rivers. Responsibilities of the Committee also include the review and comment (in an advisory capacity) on state permits for major developments within the corridor area. The Committee has been meeting on a regular basis since the Spring of 1992, and an advisory Plan was adopted in September, 1994.

The advisory Plan contains goals and objectives, results of a 1993 survey of property owners along the rivers, an inventory and assessment of natural and managed resources within the corridors, and a resources management section which outlines recommendations for current and future actions by citizens, private, local, state, and federal agencies and organizations to maintain the rivers' outstanding values.

Membership positions on the Committee for Stoddard are currently vacant.

Copies of the advisory Management Plan are available for view at the corridor communities' town and city halls. Additional copies are available from the Central NH Regional Planning Commission; 329 Daniel Webster Highway, Boscawen, NH 03303, (603) 796-2129 or the Southwest Regional Planning Commission; 20 Central Square, Keene, NH 03431, (603) 357-0557.

STODDARD OLD HOME DAYS 1994

Old Home Days 1994, the eighth the current committee has sponsored, was held on July 8, 9, and 10 and included a crowd-pleasing mix of old and new events. The three day celebration began Friday night with a 6:30p.m. performance by Odds Bodkin, Master Talesman, in the new gazebo between the fire pond and the church. This was the first public event held in the gazebo which was built by Dr. George and Sally Cahill. An estimated 250 children of all ages attended and then walked or drove to the Town Hall for an Ice Cream Social sponsored by the Stoddard Congregational Church. The rainstorm which threatened the storyteller finally came during the Social and drove inside all who could fit into the Town Hall. Both events were a huge success.

The traditional Saturday morning parade from the church to the new fire station started at 10a.m. The star attraction was the introduction of the new Stoddard Fire and Rescue Boat which was funded entirely by donations from the town. Music was provided by Post 4 American Legion Band and the country and western band Sugarfoot. Sugarfoot also provide entertainment throughout the day from a flatbed set up near the old fire station.

For the first time this year the Junior Fire Department handled the refreshments. They ran the hot dog and drinks stand by the Mill Village Country Store and did a brisk business. Proceeds were donated to the Fire and Rescue Boat.

All public buildings were open. On Saturday there was a Bazaar and Food & Bake Sale at the Town Hall sponsored by the Church and the Stoddard Women's Fellowship and a book sale at the Davis Memorial Library. Events just for children and young people included a bicycle race and scavenger hunt, games at the fire station, and the "Little Red Wagon" program presented by the Theater Resources for Youth of the University of New Hampshire.

The oldest house in town, the Butterfield House on Pitcher Mountain, was open for two tours in the afternoon. The opportunity to view an authentic piece of our history attracted capacity audiences for both tours. Once again the Fire Department put on its scrumptious, sell-out chicken barbecue at the fire station. The traditional raffle, held after the

barbecue, was as popular as ever. First prize, a Stoddard bottle, was won by Priscilla Holland. Second prize, 50 pounds of Pitcher Mountain beef, was won by Pat Putnam. Third prize, a Peterborough Basket ash picnic basket filled with goodies, was won by Joe Van Schaick. Country and western line dancing led by Paul Paytas at the Town Hall brought Saturday activities to a close. This new event on the Old Home Days agenda was enjoyed greatly by those who attended

Old Home Days would not be Old Home Days without the traditional Sunday morning pancake breakfast at the Town Hall. Once again it was a great success and a sell out. A guided hike to the Copeland tomb and cemetery was the highlight of the afternoon for the history buffs, and a Bluegrass concert by Ray Sears and family at the gazebo provided just the right touch of entertainment and good old fashioned country picnic atmosphere to end the festivities.

Old Home Days 1994 was a financial success. Income was over \$2,800 including \$1,450 in contributions. The balance in the bank is \$4,600, providing a good foundation for an even bigger, better program for next year.

The Committee wants to thank everyone who helped make Old Home Days 1994 such a big success. Your donations and attendance at events makes these weekends possible. It is your support which keeps the Committee going. Although there are too many people to mention here special thanks are due those who helped plan and run the 21 events. They put in a lot of time and effort. Again, your support is their real thanks

Plans are already being made for 1995. The dates are set, July 14, 15, & 16. The Post 4 American Legion and Sugarfoot Bands are booked. We would like to have as many or more activities as this year and will need many volunteers to meet this goal. If you would like to help on a committee or have ideas for an activity, contact Chairman Gordon Garnett or Secretary Marline Leotta. Our first committee meeting will be March 28 at 7p.m. in the Library. With your help and support the committee hopes to make Old Home Days 1995 the best ever.

Respectfully submitted,
Marline Leotta, Secretary

Agency History:

Monadnock Family Services was organized in 1959 following a joint study by the Cheshire County Community Services Council and the League of Women Voters (Keene and Peterborough). Originally named Monadnock Area Family Service, the agency was organized through a merger of the Bureau of Public Service and the Keene Mental Hygiene Association. The service operated in this form through 1966, expanding in a five year period to a staff of two full time social workers with psychiatric and psychological consulting support.

In 1967, following a study during the previous two years, a community mental health clinic service was organized providing direct psychiatric and psychological services. This program added two psychiatric consultants, a clinical psychologist and one social worker to the agency staff.

Now in 1992, Monadnock Family Services has grown from providing only outpatient services in its early years to providing a much broader range of services in response to community needs. MFS operates out of five district offices: Keene, Peterborough, Winchester, Jaffrey and Walpole. We serve the 38 towns of the Monadnock Region. Our services now include the following:

- Counseling Services for Adults
- Adolescent & Children's Treatment
- Elderly Services and RSVP
- Psychological Testing
- 24-Hour Emergency Services
- Parenting Programs
- Housing
- Client Service Management
- Partial Hospitalization
- Community Support Programming/Vocational Services
- Volunteer Center

Keene and Walpole District Office

The Keene and Walpole District Offices of Monadnock Family Services provides outpatient services for children and adults living in the towns of Keene, Alstead, Chesterfield, Fitzwilliam, Gilsum, Marlborough, Marlow, Nelson, Roxbury, Stoddard, Sullivan, Surry, Swanzey, Troy, Walpole and Westmoreland. Included among these services are individual, group, family and marital psychotherapy, as well as twenty-four hour crisis intervention. In addition, the Keene District Office provides special services for the Elderly, Vietnam Veterans, Adventure-Based Programs for Youth, Sexual Abuse victims, Sexual Offenders and pregnant teenagers and adolescent parents.

Monadnock Family Services is also continuing the alcohol and drug abuse prevention project in the Fall Mountain School District, Keene Junior High School and Keene High School. This project provides consultation to teachers, administrators, parents and students around ways to address the problems of substance abuse and chemical dependency.

The staff of the Keene and Walpole District Offices are all trained professionals who are committed to meeting the mental health needs of the communities they serve.

ART. 3. To see if the Town will vote to raise and appropriate the sum of \$50,000 for the operational expenses of the Stoddard Recycling and Transfer Station. **Motion by John Halter, Seconded by John Secco. Art. 3 is adopted.**

ART. 4. To see if the Town will vote to raise and appropriate the sum of \$15,815 for the operating budget of the Stoddard Fire & Rescue Department for the ensuing year. **Motion by Brian Cahill, Seconded by John Cressy. Art. 4 is adopted.**

ART. 5. To see if the Town will vote to raise and appropriate the sum of \$2,500 for Antrim ambulance service for the ensuing year. **Motion by John Wilder, Seconded by PJ LaMothe. Art. 5 is adopted.**

ART. 6. To see if the town will vote to raise and appropriate the sum of \$58,000 for the purchase of a 4-wheel drive rescue vehicle and to authorize the withdrawal of \$20,000 and all accumulated interest earned from the capital reserve fund created in 1992 for that purpose. The balance of up to \$38,000 to be raised from general taxation. **Motion by Brian Cahill, Seconded by Joe Sarcione. Brian Cahill explains the need for a 4x4 rescue vehicle. Discussion follows. Art. 6 carries unanimously.**

ART. 7. To see if the town will vote to raise and appropriate the sum of \$58,000 to purchase a 4-wheel drive rescue vehicle and to authorize the issuance of not more than \$38,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$20,000 from the Rescue Vehicle Capital Reserve fund created for this purpose.
(2/3 ballot vote required)

Motion by John Halter, Seconded by Brenda Bryer to indefinitely postpone Art. 7. Art. 7 is indefinitely postponed unanimously.

ART. 8 To see if the Town will raise and appropriate the sum of \$20,330 for the 1st year payment of interest and principal on the 4-wheel drive vehicle bond. **Moved by John Halter, Seconded by Brenda Bryer. Art. 8 is indefinitely postponed unanimously.**

ART. 9. To see if the town will vote to raise and appropriate \$20,000 to be placed in the capital reserve fund established in 1992 for the purchase of a 4-wheel drive rescue vehicle. **Moved by John Halter, Seconded by Brenda Bryer. Art. 9 is indefinitely postponed unanimously.**

ART. 10. To see if the Town will vote to raise and appropriate the sum of \$1,500 for the operating budget of the Stoddard Fire Warden, to include the purchase of equipment, meeting and training. **Moved by Joe Sarcione, Seconded by Bonnie Sarcione. Art. 10 is adopted.**

ART. 11. To see if the Town will vote to raise and appropriate the sum of \$450 for the purchase of a mobile radio for the brush truck. **Moved by Joe Sarcione, Seconded by John Wilder. Discussion by Joe Sarcione. Art. 11 is adopted.**

ART. 12. To See if the Town will vote to raise and appropriate the sum of \$621 as its share for the support of the Monadnock Family and Mental Health Services. **Motion by Doe Secco, Seconded by John Secco. Art. 12 is adopted.**

ART. 13. To see if the Town will vote to raise and appropriate the sum of \$1,800 as its share for the support of the Home Health Care and Community Services. **Moved by Brenda Bryer, Seconded by John Halter. Art. 13 is adopted.**

ART. 14. To see if the Town will vote to raise and appropriate the sum of \$500 as its share for the support of the Community Kitchen. **Moved by Brenda Bryer, Seconded by John Halter. Brenda Bryer reports on article. A letter was received from the Community Kitchen asking for support, due to increasing costs, and new building. Total meals for Stoddard residents in program for 1993 was 1,917 which cost them \$958.50. Daniel Eaton steps down as Moderator. John Halter recognizes Daniel Eaton. Mr. Eaton asks this article be indefinitely postponed. He is totally in favor of the Community Kitchen, but feels other charities and the United Way, etc. support them. Harry Power also speaks against taking tax dollars when the Community Kitchen receives Grants and other donations from the United Way. Bob Cowie also resents this article on the warrant. John Halter steps down as Moderator and Brenda Bryer recognizes John Halter. John feels that Art. 12 and 13 are also United Way agencies and have been on the**

warrant for many years and if we were to vote for Art. 12 and 13 the decision should be with the townspeople to vote on all of this and asks to stay with the motion. Motion by Daniel Eaton to indefinitely postpone Art. 14. Mary Lou Eaton seconds. Art. 14 is indefinitely postponed.

ART. 15. To see if the Town will vote to raise and appropriate the sum of \$3,220 for the operation and maintenance of the Davis Library. Moved by Frances Runrill, Seconded by Doe Secco. Art. 15 is adopted.

ART. 16. To see if the town will vote to raise and appropriate the sum of \$5,000 for a additional handicap entrance to the Davis Library. Moved by John Halter to Amend Art. 16 to read: To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for a additional handicap entrance to the Davis Library. Seconded by Brenda Bryer. Brenda Bryer explains the Library only has one door and if another door is to be installed possibly it could be a handi-cap entrance. More discussion. The Amendment on the \$3,500.00 is defeated. Art. 16 fails on a voice vote unanimously.

ART. 17. To see if the Town will vote to raise and appropriate the sum of \$107,530 to defray Town charges for the ensuing year. Moved by John Halter, Seconded by Brenda Bryer. Art. 17 is adopted.

ART. 18. To see if the Town will vote to raise and appropriate the sum of \$300 for purchase of a facsimile (fax) machine for the Town Offices. Moved by Brenda Bryer, Seconded by John Halter. Discussion by Brenda explaining the need for a fax machine. Art. 18 is adopted.

ART. 19. To see if the Town will vote to raise and appropriate the sum of \$2,500 to restore & microfilm three (3) volumes of old town records. Moved by Brenda Bryer, Seconded by John Halter. Art. 19 is adopted.

ART. 20. To see if the Town will vote to raise and appropriate the sum of \$1,500 for the purchase of an additional computer for the Town offices. Moved by Brenda Bryer, Seconded by John Halter. Brenda explains why another computer is needed. Discussion follows. Moderator in doubt on voice vote. On a standing vote of 28 NO 23 YES Article 20 fails.

ART. 21. To see if the Town will vote to move the War monument from in front of the Town Hall to any other location in town. Moved by Brenda Bryer, Seconded by John Halter. Brenda explains the Hidden Lake development sign was moved to the Town Hall side of King St. and between the reconstruction of King St. leaving a large slope, and the sign, the monument is obscured. After some discussion it was unanimous to leave the monument where it is.

ART. 22. To see if the Town will vote to raise and appropriate the sum of \$2,660 as operating budget for the Stoddard Planning Board for the ensuing year. Moved by Pat Campbell, Seconded by Jane Abert. Art. 22 is adopted.

ART. 23. To see if the Town will vote to raise and appropriate the sum of \$621 for membership to the Southwest Region Planning Commission for the coming year. Moved by Jane Abert, Seconded by Jim D'Arcy. Art. 23 is adopted.

ART. 24. To see if the Town will vote to raise and appropriate the sum of \$900 for the operating budget of the Stoddard Zoning Board of Adjustment. Moved by Bob Cowie, Seconded by Harry Power. Art. 24 is adopted.

ART. 25. To see if the Town will vote to raise and appropriate the sum of \$200 for the operation of the Stoddard Conservation Commission. **Moved by Jane Abert, Seconded by Louis GrandPré. Art. 25 is adopted.**

ART. 26. To see if the Town will vote to raise and appropriate the sum of \$970 for the Lay Monitoring Program. **Moved by Jane Abert, Seconded by Harry Power. Art. 26 is adopted.**

ART. 27. To see if the Town will vote to authorize the Selectmen to apply for and accept gifts and /or State or Federal Aid in the name of the Town of Stoddard for the operation and legitimate expenditures of any appropriate Stoddard agency. **Moved by John Halter, Seconded by Brenda Bryer. Art. 27 is adopted.**

ART. 28. To see if the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid, or in such other manner as determined by the Selectmen as justice may require properties acquired by the Town through Tax Collector's deeds in accordance with RSA 80:42. **Moved by Jim D'Arcy, Seconded by Brenda Bryer. Amendment by John Halter to read: To see if the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid or in such other manner as determined by the Selectmen as justice may require properties acquired by the Town through Tax Collector's deeds in accordance with RSA 80:42 and to sell the old rescue vehicle by sealed bid. Seconded by Brenda Bryer. Amendment is adopted. A second Amendment by John Halter, to add auction. Seconded by Jim D'Arcy. Motion carries. Art. 28 would now read: To see if the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid or in such other manner as determined by the Selectmen as justice may require properties acquired by the Town through Tax Collector's deeds in accordance with RSA 80:42 and to sell the old rescue vehicle by sealed bid or auction. Art. 28 is adopted as amended on seconded amendment.**

ART. 29. To see if the Town will vote to raise and appropriate the sum of \$9,420 for the operating budget of the Stoddard Police Department. **Moved by David Vaillancourt seconded by Joanne Monty. Art. 29 is adopted.**

ART. 30. To see if the Town will vote to raise and appropriate the sum of \$120,000 for winter and summer maintenance, emergencies & repair of Town roads and bridges. **Moved by John Halter, Seconded by Brenda Bryer. An Amendment by John Halter to change the amount to \$105,000.00. John Halter refers to page 13, that in reducing the amount some projects will be eliminated. Geoff Jones, member of the Road Committee speaks on the roads and what they have accomplished. Putting more gravel on the roads is a priority. Carol Clark asks if it may be cheaper going back to the Road Agent Position. More discussion and figures needed from the Selectmen as to how this would effect the final appropriation. Moderator calls for a RECESS. Brenda reports on figures if everything passes from this article on the Towns portion will be \$2.43 opposed to \$1.59 in 1993. Art. 30 is adopted as amended.**

ART. 31. To see if the Town will vote to raise and appropriate the sum of \$20,000 to open to a Capital Reserve fund for the replacing of Bridge # 135-109 on Shedd Hill Road. **Motion by Jim D'Arcy, Seconded by Harry Power. Discussion follows. Art. 31 is adopted.**

ART. 32 To see if the town will vote to raise and appropriate the sum of \$5,000 to investigate properties for new town offices. **Moved by Jim D'Arcy, Seconded by Brenda Bryer. An Amendment by John Secco to add the words and/or transfer station. Seconded by Brenda Bryer. The article now would read: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to investigate**

properties for new Town offices and/or Transfer Station. A Second Amendment by Harry Power to appropriate the sum of \$1,500.00. Seconded by Louis GrandPré. Discussion follows on what this money will be used for. Jim D'Arcy asks for a consensus on moving the transfer station. On a show of hands it is overwhelming we move the transfer station. More discussion follows. Motion now reads: To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to investigate properties for new Town offices and/or Transfer Station. Art. 32 is adopted as amended for \$1,500.00.

ART. 33. To see if the Town will vote to raise and appropriate the sum of \$20,000 to add to a Capital Reserve fund created in 1992 for the purchase of land and or buildings for future Town use. Seconded by Brenda Bryer. Amendment by Harry Power to read: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to add to a Capital Reserve fund created in 1992 for the purchase of land and/or buildings for future Town use. Seconded by Bev Power. Art. 33 is adopted as amended for \$5,000.00.

ART. 34. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the removal and replacement of the Town Hall oil tank. Replacement to included building a shed and purchasing and installation of new above ground tanks. Moved by John Halter, Seconded by Brenda Bryer. Discussion follows on exactly what has to be done. A structure would have to be built on the Town Hall to put new tanks above ground and the old tank under the ground would be removed. Art. 34 is adopted.

ART. 35. To see if the Town will vote to raise and appropriate the sum of \$8400 for painting the Town Hall and Transfer Station. Moved by John Halter, Seconded by Jim D'Arcy. Brenda Bryer breaks down amount. \$6,200.00 for the Town Hall, scrape, prime and paint \$2,160.00 for the Transfer Station, scrape, prime and paint. On a voice vote Art. 35 fails.

ART. 36. To transact any other business that may legally come before said meeting. John Halter recognizes Jim D'Arcy and presents him with a gift for 6 years of service to the Town as Selectmen. A round of applause for Jim. Dr. Cahill congratulates the Selectmen on the excellent Town Report this year. Everyone agrees.

Being no other business Mary Lou Eaton moves the meeting be adjourned, seconded by Harry Power.

Meeting adjourned at 9:55PM.

Moderator calls for all newly elected officers to step forward and be sworn in.

Respectfully Submitted:

School Board Narrative

The 1994-95 school year has been notable as the first in which three full time teachers have staffed the James M. Faulkner School. The classrooms continue to be multi-age and now combine grades K/1, 2/3 and 4/5. The change was made as a result of teacher, parent, school board and administrative observation and input. The new configuration enables the teachers to accommodate increasing student enrollment and academic requirements.

Elana Ben-Karem resigned as the French teacher to accept a full time position at the high school level. James Callanan was hired this fall to teach French. French is offered to fourth and fifth grade students in Stoddard. Area colleges were informed of Stoddard's interest in having a student teacher. Dorothy Hallee, an Antioch extended day Master's program student, was a welcome addition to the grades 2/3 classroom for half of this year.

With the 1993-94 budget surplus the deficit was paid; the oil tank was topped off; and a new stove, refrigerator and small freezer were bought for the school kitchen. A computer with Fax capability was also purchased so the school can more readily communicate with the SAU for purchase orders and other administrative items. Money was once again returned to the town.

We live in a small community and find ourselves in the unique position of knowing when students enter or leave our system. This can mean a difference of several thousand dollars in tuition money, a sizeable sum when trying to abide by a tight budget. Residency issues have come to our attention in the past year resulting in money saved on our part.

Special education costs continue to be the biggest variable in the school budget. While the special education team tries to budget according to the needs of current students it is difficult, at best, to anticipate the needs of students moving into the district.

The New Hampshire Department of Environmental Services (NHDES) has required all school districts to have an in depth sanitary survey of their water supplies. As the water sample could not be drawn from the tap, a "source tap" needed to be installed. The testing and installation of a well extension and water meter to comply with NHDES standards were an unexpected expense.

While the first priority of a school district is the students, it takes many others, in cooperation, to make a school run as well as ours. The teachers and specials who

know the children and parents so well; the janitor's attention to maintenance, inside and out; the SAU #24 administrators who always return our phone calls; and the volunteers who give their time. Their combined effort makes the Faulkner School a productive and special place to learn and for this we say "Thank you".

A considerable amount of time has been spent at school board meetings discussing the need for a community playground and ball field and a multipurpose room for the school. A facilities committee was appointed to look into both projects. While the playground and ball field have been discussed at school board meetings perhaps the time has come for a town recreation committee. We have serious concerns about the impact of a multipurpose room on the existing school building, land and the road. Anyone wishing to comment on these projects or any other school matter is welcome and encouraged to come to school board meetings.

Head Teacher's Report

Last spring the students and teachers of the James M. Faulkner Elementary School took part in the "Lend An Ear" program, which features musicians who come and play instruments for the classes. On three separate visits we got to learn about:

1. Flute & Trombone
2. Bassoon & French Horn
3. Percussion & Trumpet

Kindergarten through grade 2 went on a trip to the Boston's Children Museum.

The Kindergarten class spent a lot of time studying about wetlands and many aspects of nature. A trip to Stonewall Farm was made when studying wetlands, and a visit to a near by beaver bog was an added treat.

The class then spent time working around the school grounds. A nature trail was cleared, bird and butterfly houses were put up. When the class started studying wild flowers a field trip was made to buy perennial flowers, which were planted on the school ground.

Grades 3 through 5 had been reading the L. Frank Baum's "Wizard of Oz" series, which consists of 13 books. Students have enjoyed hearing about the continued adventure of Dorothy Gale and her many curious friends. In keeping with the story a trip was made to see a production of "The Wizard of Oz" live on stage. Students were made a part of the play through audience participation.

The class spent a good deal of time studying drug prevention: Why people use drugs, and how they effect us. How to avoid drugs. The Keene "Breath Easy" program sent two visitors who shared their knowledge and experience of smoking. This proved to be a very powerful program, which caused students to face the reality of smoking hazards.

Three students in the third, fourth, and fifth grade class entered a poster in the E.P.A. Environmental Poster Contest and they won! The whole class took a trip to Manchester in order to be there in support of the winners. Governor, Steve Merrill was there to present the awards.

This fall, 1994 started with one new teacher. James Callanan is our new French Teacher. James recently completed an M.A. program in French with Middleburg College, during which time he lived in Paris, France for a year. A New England active, he currently lives in Concord, N.H. and also teaches at Weare Middle School.

A big change took place for this year when Kindergarten and Grade 1 were combined, and Grade 2 and 3 were combined, which left only two grades for the intermediate class; Grade 4 and 5. This change has greatly improved the instruction for the fourth and fifth grade. The classes have progressed much more quickly then in past years.

All of the classes have been busy since September. The following highlights will give some examples of what has been going on:

Mrs. Murphy's class has been busy learning about Sign Language, which the students have enjoyed. Continuing with their study of the environment, they have studied several species of trees, worked on the nature trail, and investigated the life cycle of pumpkins; from seed to compost. Even worms got into the act as the class took a close look at vermi composting in the classroom.

Mrs. Larson's class has been working on units of Native Americans, Colonial Times, and Greek Myths. A visit to Old Fort #4 was a great experience for these Colonial students. The class has also been busy in the Science field with mapping, mushrooms, and weather. A hike up Mtn. Monadnock proved to be an uplifting experience for all who ventured on the trip! And the class even had a snack store offering treats for sale to students at the school. The money raised was used to adopt a whale for the class.

Mr. LaFleur's class had a visit from the N.H. Forestry Dept. which taught students about the development of the forest. Games and activities kept everyone involved and interested. The class read the book Sarah, Plain and Tall, about a woman from Maine who moves to the midwest to marry a man and raise his children. A trip to High Hopes Orchard provided students a chance to jump into a "hay dune" as Sarah does in the book. Another book which the class read was Stone Fox, about a boy who lives on a potato farm with his grandfather. When the P.T.O. put together a big turkey dinner for the school, the class made mashed potatoes. A school newspaper was put together by the students, and a trip to the Union Leader gave the class an inside view of what news printing is all about. The class has also been busy learning about weather in the Science-By-Mail kits.

Many thanks to the parents that help out at school parties and programs. We also want to thank the many people who come to our programs. A special thanks to Joe Sarcione and P.J. for their wonderful Fire Prevention Program. Much time was spent with the teachers as well as the students. Together we make a difference for our students and school.

Respectfully submitted,
Mr. Mark LaFleur

SCHOOL NURSE'S REPORT
1994-1995

The school health program for the 1994-1995 calendar year included the following student screenings: height and weight, vision, and hearing. Also, scoliosis checks will be done in the spring on all 5th grade students. Parents were contacted if a physician referral was indicated. All immunization records were reviewed to ensure that state requirements were satisfied and an annual report was sent in to the state. Head checks for lice were done monthly and on an as-needed basis.

Health education included classes on lice, rabies, healthy snack foods, and nutrition for a healthy heart. Several classes on fire prevention and fire safety were given. In the spring, fourth and fifth graders will learn about puberty and adolescence. The kindergarten and first grade class will have a series of lessons on personal safety issues. Before the end of the school year we will discuss safety over the summer months.

Respectfully submitted,

Carol M. Hill, RN

STATE OF NEW HAMPSHIRE
STODDARD SCHOOL DISTRICT
ANNUAL MEETING
1994 WARRANT

The 1994 School Warrant Meeting was opened at the Stoddard Town Hall on March 10, 1994 at 7:03 p.m. by Moderator Daniel Eaton. John Secco led the Pledge of Allegiance at the request of Daniel Eaton. Present at the meeting from the Stoddard School Board were Chairman Mary Lou Eaton, Helen Bouchard, and Brenda Howard and Clerk Marline Leotta. Present from SAU #24 were Superintendent Donald Jones, Business Administrator James Crane, Special Education Director Joseph Denning and Special Education Secretary Linda Smith. Present from the Stoddard School Staff was Mark LaFleur, Head Teacher.

Article 1. To choose by nonpartisan ballot the following School District officials:

- A. One School Board Member - 3 year term
- B. One Moderator - 1 year term
- C. One Treasurer - 1 year term
- D. One Clerk - 1 year term
- E. One Auditor - 1 year term

Mary Lou Eaton moved that the polls be open until 8:30 p.m. or the close of the meeting whichever occurs last. The motion was seconded by Sally Ripley. Motion carried unanimously by voice vote.

Moderator Daniel Eaton called a voting recess to allow those present to vote. The recess was over and the meeting called to order at 7:20 p.m.

ARTICLE 2. Mary Lou Eaton moved to hear the reports of agents, auditors, committees and officers chosen as printed in the annual report. The motion was seconded by Brenda Bryer. Motion carried unanimously by voice vote.

ARTICLE 3. Helen Bouchard moved to determine and appoint the salaries of the School Board and fix compensation or any other officers or agents of the District as presented in the 1994-95 budget. The motion was seconded by Charlotte Pratt. Motion carried unanimously by voice vote.

ARTICLE 4. Brenda Howard moved that the District raise and appropriate the sum of \$652,720.(six hundred fifty-two thousand, seven hundred twenty dollars) for the support of schools, for the payment of salaries of School District officials and agents, and for the payment of statutory obligations of the District. The motion was seconded by Sue Taylor. Motion carried unanimously by voice vote.

ARTICLE 5. Mary Lou Eaton moved that Article 5 be indefinitely postponed. The motion was seconded by Brenda Bryer.

Discussion from the floor included a question from Nancy Cressy as to why it should be indefinitely postponed. Jim Crane explained that he anticipated the necessary monies would be available in the current budget due to lower than budgeted costs especially in the Special Education Tuition line.

Motion carried unanimously by voice vote.

ARTICLE 6. Helen Bouchard moved that Article 6 be indefinitely postponed. The motion was seconded by Mary Lou Eaton. Motion carried unanimously by voice vote.

ARTICLE 7. No further business.

Brenda Bryer moved to adjourn the meeting except for the purposes of voting. The motion was seconded by Nancy Cressy. Motion carried unanimously. Meeting adjourned at 7:35 p.m. except for the purposes of voting.

EQUALIZATION RATE

1990	1991	1992	1993
100%	114%	123%	123%

Equalization Rate: Each year the Selectmen complete a report for the Department of Revenue Administration. This report list all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sale was within a family. Based on this information the Department Of Revenue Administration calculates the percentage of Assessed Value to Market Value. Stoddard's Assessed Value has been greater than Market Value since 1991.

The 1994 rate will be set in March 1995.
